NARI Atlanta's 26th Annual CotY Awards Gala

**W Hotel Midtown
December 11, 2018**

Interiors Atlanta partnered with NARI Atlanta for the 26th annual Contractor of the Year awards presented by Subzero/Wolf/Cove. The Winter White Gala, hosted by W Hotel Midtown, began with a cocktail reception courtesy of Marvin Windows and Doors. Guests sipped Marvin Mules and Marvin Manhattans while enjoying entertainment by Yvonne Monet. PMC's photo booth captured stills from the buzzing atmosphere.

After cocktails and light bites, guests were transported to a winter wonderland with enchanting florals by FH Floral Design. The winter-inspired menu and festive music added to the event's overall ambience. When it came time for the highly-anticipated award ceremony, guest emcee Chip Wade, presented each winner with a custom award by Levantina. Following the ceremony, guests were surprised with a Sweets and Champagne Celebration. The Off-Centered Project donned a delightful, winter-themed champagne skirt, and Bean in the Borough served up delicious holiday espresso drinks. Joel Rabe of Lethal Rhythms kept the entire crowd dancing as they enjoyed bite-sized cheesecakes courtesy of Say Cheesecakes and delicious chocolates by Cirque Confections. Thank you to all who made the 26th annual CotY awards the best yet!
